Sedgeberrow Community News

Winter 24

Sedgeberrow second in The Wychavon Parish Games.

The competitions between 28 teams and close to 1000 participants representing parishes and town wards across three towns of Droitwich, Evesham and Pershore, took place over summer/autumn.

Competitors took part in two types of competition:

- One Day Events: Angling; Bell Boating; Bowls; Cross Country; Men's 5-a-Side Football; Petanque; Rounders; Junior and Senior Table Tennis.
- Knock-Out Events: Crib; Ladies' Darts; Men's Darts; Dominoes; Pool; Skittles.

Special thanks go to all of the Sedgeberrow participants, too many to mention, for their brilliant efforts.

The Parish Council will be arranging a celebration event in the Queens Head sometime in January. The date will be well advertised and we hope to recruit even more parishioners to our wonderfully diverse and enthusiastic teams.

Community Hall Project Update

We were pleased to welcome 35 attendees to our kick-off meeting on Sept 11th when there was an introductory presentation of the current situation and history of the present (school) Village Hall. There was a very enthusiastic and positive response from the attendees with excellent questions and comments. Thanks to all those who attended.

The presentation also covered the aspirations of what we could achieve in the form of other halls in the area and how we would get there. If you would like a copy please ask.

Volunteers are key to the project and can drive down the costs involved by using the skills, labour and will to succeed that already exists within our community.

So, if you are able to help and have not already volunteered, please feel free to contact me.

We still need volunteers for the following:
Design and Build
Fund Raising
Business Planning
PR and Communications
Sports Playing Field Group

Next steps:

Visit more halls in the area to assess what we need and what we don't need.
Complete the gaps in the groups and identify what is still needed.
Establish the method and recordkeeping process for the groups
Establish time frames and milestones for the project.

Discussions regarding the site and the proposed land for a sports field are in progress. We are dependent on this deal being finalised to release the land to the village to progress the project.

Thanks to all who have volunteered so far.

If you need more information or have questions, comments etc

Please contact me, Clive on 07772366278 or clive@sedgeberrowpc.org.uk

Sedgeberrow Parish Council

clerk@sedgeberrowpc.org.uk

Recent activity to report

- All members contributed to the well-attended inaugural meeting to discuss how the village might deliver a new community hall. Thank you Clive for organising. Please see specific item for further details.
- Continued to support the proposed Petanque Piste on Glebe Meadow. The parish council has funded various enabling works. Thank you Sue for leading on this. Please see update item for more details.
- The phone box book exchange refurbishment continues.Thank you Bob
- Improved signage for location of defibrillators installed. Thanks Clive
- Produced, printed and circulated the newsletter in August. Thank you to Andy for taking the lead on this.
- Listened to concerns and explored opportunities to address inconsiderate parking on the highway paths. This is specifically near the school at start and finish times and the pub in the evenings. Please see below
- Continue to monitor overgrown hedges that prevent safe use of highway paths – please see below
- Started to monitor the data generated by the VAS (vehicle activated sign) on the Cheltenham Road. This will be shared with Worcestershire Highways and the Police who regularly undertake speed enforcement checks on the Winchcombe Rd

For information/ action

- Parking on highway paths. Please be reminded that the paths are for the benefit of pedestrians; parking on them prevents pedestrians, anyone with a child buggy or wheelchair/motorised scooter from remaining safely on the path by forcing them into the road. This is very dangerous for the pedestrians and risks a serious incident. Additionally, at the school and near the pub it prevents the easy passage of buses, both the 540 and other school buses with the risk that they will cease coming into the village. The parish council is liaising with enforcement bodies and anticipate action being taken in the future, similar to the speeding issues.

- We fully appreciate that many of those parking on the pavement are from outside the village so will not see this newsletter but there are also villagers who park inconsiderately too. If in doubt could we suggest that you check a recent version of the Highway Code which advises on correct parking practices, such as distance from junction, yellow lines, entrances, etc.

- Overgrown hedges on the highway path. It is the responsibility of the householder to ensure that pedestrians, folks with child buggies and wheelchairs/motorised scooters can pass unimpeded along the path. Please keep hedges cut back to avoid people being forced into the road. Where it becomes a problem, the parish council will write to householders to remind them of their responsibilities but if necessary the County Council will take enforcement action.

- Gloucestershire County Council is consulting on potential options to improve the highway challenges of the A46 at Ashchurch. These include a potential additional junction off the M5 to help relieve the traffic pressure. So if you are a regular commuter or just an occasional user of this route you might want to add your views to the process. The Scheme details can be found at this link tps://www.gloucestershire.gov.uk/major-projects-list/m5-junction-9-and-a46-ashchurch-transport-scheme/ And the actual survey at this onehttps://haveyoursaygloucestershire.uk.engagementhq.com/junction-9

Footpaths

Please note that the Public Right of Way (footpath) next to the school will be closed until further notice due to unsafe fencing towards the Main Street entrance gate.

If you have any issues with any PROW footpaths within the Parish boundaries, please contact me.

Clive Jackson Parish Footpath Warden clive@sedgeberrowpc.org.uk/ 07772366278

Bonfires

We have been asked about the increasing numbers of bonfires in the village.

To clarify there is no specific law regarding Bonfires. Householders can burn garden waste, hedge clippings or prunings as long as garden fires do not create smoke that is prejudicial to health or a nuisance under the Environmental Protection Act 1990. If garden waste is damp, it can produce smoke. Wychavon DC receives many complaints about smoke, smuts and smell from bonfires. Smoke can prevent you and your neighbours from enjoying your garden, opening windows and hanging out the washing. If smoke gets into a house it can be difficult to eradicate as the smell can impregnate soft furnishings and clothes.

We would request that before lighting a fire, please consider the impact on your neighbours. Lighting the fire towards the end of the day will have less impact. Also consider the wind strength and direction.

The Isbourne Catchment Group (ICG) and Sedgeberrow Flood Group

jem.williamson@outlook.com and richard_hunt@hotmail.com

Late September and early October saw some of the highest river levels on the Isbourne for a long while. Whilst the river over-topped across various fields, we are not aware of any damage to homes.

This experience was clearly concerning for those close to the river and reinforces why we must remain vigilant and also continue to work with partners to 'Slow the Flow' long term. To date the ICG and partners have installed over 170 interventions but the intensity of rainfall events suggests that we must continue where opportunities arise.

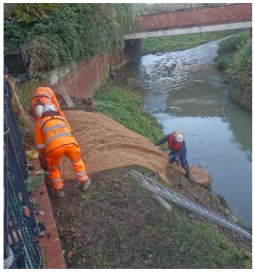

Our partners particularly FWAG have advised that the weather has prevented a lot of work taking place over the last few months, however more leaky dams are planned upstream.

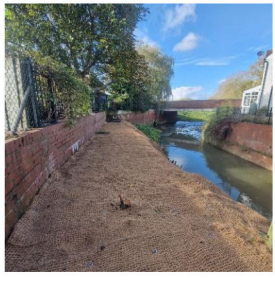

Additionally, farmers are improving soils by changing from ploughing to direct drilling to help retain and regain soil infiltration and its ability to hold on to more water, which is a significant change to farming practice. Farmers are also changing land from arable to grassland which is making a big difference to surface run-off.

Contractors will be installing more works at Stanway and Hayles in the very near future and there are works occurring at Postlip, which is at the head of the catchment.

Closer to home, in Sedgeberrow, the Environment Agency have been undertaking works to the rear of number 1 Winchcombe Road, with the aim of stabilising the bank and reducing erosion. We understand that these works are temporary and will be monitored to test their effectiveness, with other works to follow as necessary in 2025.

Please see pictures kindly provided by Woody.

Meanwhile the village flood group maintains its preparedness should a flood risk arise and has recently tested the siren located at the pub which is working perfectly. Richard Hunt (flood group chair) noted how grateful they are for all the work undertaken by the Isbourne Catchment Group

The village flood group are always keen to recruit new helpers – please contact Richard Hunt direct if interested.

WYCHAVON PARISH GAMES 2024

As reported in the last newsletter, Sedgeberrow is putting on a pretty good show in this year's tournament. The autumn and winter events have also gone well for us.

Rick and Matt Hartwell won the Senior Table Tennis; teams made the finals of both the Dominoes and Crib; we were knocked out in the semi-finals of the Skittles; scored high points in the Rounders, Cross Country, 5 A-side football, junior Table Tennis and the Bell Boating. **(pictures below show some shots of the autumn and winter events).**

All told, that looks like a total of 143 points in all which is incredible! Great work by all of the Captains and well done to all of the participants. AND, not counting chickens, we've been invited to this year's Parish Games Presentation Evening, which may bode well!

The Parish Council will be arranging a celebration event in the Queens Head sometime in January. The date will be well advertised and we hope to recruit even more parishioners to our wonderfully diverse and enthusiastic teams.

Worcester Council - Police/Neighbourhood Officers Update

There has been a change to the local police officers covering our area. PC Alex Prentice, PC Ben Trowman and PCSO Luke Harris now collectively look after Sedgeberrow and surrounding villages.

PC Prentice and PC Trowman bring with them a 38 years of experience covering response policing, rural policing, and neighbourhood policing. They are based out of Evesham police station.

Alex and Ben have had an extremely busy 2 weeks since taking over the new area; getting out to the new area and talking to as many people as possible by holding drop-in sessions which they have been overwhelmed by the welcoming response. These are clearly working and they will be continuing, whether it be in a village hall, in a car park or a coffee shop. This is your opportunity to discuss the matters that matter to you.

Who are your local Neighbourhood Officers?

PC Alex Prentice and PC Ben Trowman can be contacted by email, Alexandra.prentice@westmercia.police.uk and ben.trowman@westmercia.police.uk.

The Evesham Safer Neighbourhood Team are actively now more than ever involved with our Evesham SNT Facebook page. Please follow Evesham SNT to keep up to date with our activities and to see when our local drop in/engagement sessions are.

Engagements.

There are frequent engagement sessions in each area and these will be increased due to taking on additional villages in order to meet as much of the community as possible. Please try and come to any of the sessions if you feel the need to see an officer in person. They are always open to listening to the public. Please, if you have any ideas on how to better engage with the public, let Alex know by the above email address. These engagement dates will be sent out in advance on Neighbourhood Matters. This is a free service which allows you to receive updates regarding crime in your area and also allows you to message your local officer. For further information visit: https://neighbourhoodmatters.co.uk/. We are

trying to book these in advance as much as possible and will send out weekly NH Matters posts with the schedule of sessions.

Be Bright, Be Seen – Autumn / Winter road safety initiative

With the darker nights and colder weather upon us, the Road Safety Team is running a Be Bright, Be Seen initiative throughout the autumn and winter months to remind all road users to take extra care on the roads and ensure they are visible to others.

The Safer Neighbourhood Team have with a limited supply of hi-vis goodies to support your engagement activity with vulnerable road users such as cyclists and pedestrians who are not visible enough to other road users – particularly during early morning and evening commute times.

If anyone needs some hi-vis goodies please let us know. These include rucksack covers, bike lights, flashing armbands, reflectors and cycle sticker packs.

Protecting yourself from vehicle crime

With the darker nights here, there could be more opportunities for vehicle thieves in the hours of darkness. We can often see car thieves and car key burglars using the cover of night to carry out their crimes, but a few small steps can help stop them in their tracks.

With the darker nights here, there could be more opportunities for vehicle thieves in the hours of darkness.

We can often see car thieves and car key burglars using the cover of night to carry out their crimes, but a few small steps can help stop them in their tracks.

By taking a few crime prevention measures motorists can help prevent themselves from being a victim of crime.

West Mercia Police is committed to tackling vehicle crime and has the following advice to protect your cars, motorbikes and vans from being stolen: -

- **Do you have a security light/doorbell camera?**
- **Lock your windows**
- **Get a steering wheel disc lock**
- **If possible, secure your vehicle out of sight in a garage**
- **Put your keys in a 'Faraday' pouch**
- **Install a tracker to your vehicle**
- **Fit a foldable bollard to your driveway**

Every 3 months, Parish Councils make us aware of their Parish Priorities. If you are aware of any specific areas of continued concern in your area, please make your Parish Council aware in order for them to pass this over to your local officer.

Sedgeberrow Petanque

Sedgeberrow Parish Council are delighted to announce that the petanque pistes in Glebe Meadow have attracted funding from Sports England.

The funding is because petanque is a family and community activity and is exactly in line with the mission of Sport England to ensure that "everyone should have the right to benefit from sport and physical activity regardless of age, background or ability"

The council has set up a petanque group to get everything built and organised and to coordinate additional fund raising activity designed to supplement Sport England's funds and to ensure that equipment and facilities are all to a high standard.

The aim is to have everything up and running in the Spring and the Easter Holidays will be the ideal time for a grand opening and (weather permitting) a fete and petanque open day so that all ages can come along to learn how to play and of course to socialise.

Sedgeberrow Petanque will shortly launch a new website and also a crowdfunding website recommended by Sport England. This will be ideal as a coordinating location for all the fundraising activities and will also give any villagers, who might want to, the opportunity to support the development of this exciting new activity. There will also be a contribution box and a big Christmas raffle which will be located in the Queens Head.

First date for the diary is a fundraising Winter Fete to be held in the Village Hall on the afternoon of December 1st. A great fun family afternoon for all the village. Don't miss it.!!

Build Progress

You may have noticed activity in Glebe Meadow over the last few months.
In September we kicked the project off by using a local arborist to remove some trees and stumps. Some of the wood has been used to create wildlife habitats in the meadow whilst the wood chippings were redistributed along the pathways at the back of the meadow by a team of willing helpers.

You will see more activity in the coming months as The Parish Council has purchased 3 superb new picnic tables for Glebe Meadow and agreed their location with the Village Hall Committee. The first one as installed in November and we hope to install the other tables soon.

CPR training event November 9th

A big thank you to all of you who turned out for the CPR training event. There was a very good turnout of around 30 residents of all ages, which impressed the trainer, Martin Bennett, a First Responder from Tenbury.

He is very experienced and kept us entertained for around 2 hours with his anecdotes about his role, whilst driving the point home about the correct way to deal with emergencies, to carry out CPR and use a defibrillator and bleed kit.

The defibrillators in the village are located by the door of the Bettridge Room and under the Lychgate of the church. The code for both is C159X. These will also appear if 'Defibrillators near me' is searched for on the internet. This is the same database that the Ambulance service use.

This information could help save lives so please keep it handy. Hopefully it'll never have to be used.

If you missed this presentation, please contact the clerk Mrs Nikki Nicholson at clerk@sedgeberrowpc.org.uk and if there is enough interest we will run another at a later date.

Clive Jackson

What's on at Sedgeberrow Village Hall

Yoga Class

Mila runs a yoga class from The Village Hall twice a week, on Tuesdays and Thursdays at 6:30pm. For enquiries or to book your space please contact Mila: jam@yogajam.co.uk Telephone: 07790 663 803

Little Big Learners

An after school club in The Village Hall, operating during term time from school close to 6pm. Contact Details: Email: sedgeberrowlittlebiglearners@gmail.com https://www.littlebiglearners.com

Baby and Toddler Group

Weekly stay and play session suitable from birth up to pre school age (4y). Open every Thursday 9am-10:30am (term time only) in The Village Hall. Visit their Facebook page for upcoming special events: Sedgeberrow Baby and Toddler Group | Facebook Contact: sarahklaassen16@hotmail.com

Sedgeberrow Pre-School

Sedgeberrow CofE Preschool runs during term time from 8am to 6pm. Please see their website for costs and to enquire on availability: Sedgeberrow CofE First School - Preschool Information Email: office@sedgeberrow.worcs.sch.uk Telephone: 01386 881391

Sedgeberrow Parish Council

The Council generally meets at 7:15pm on the 2nd Wednesday of January, March, May, July, September & November in the Sedgeberrow Village Hall. Villagers are invited to have their say during the first 20 minutes of the meeting. Visit their website for the next meeting date and agenda, and previous meeting minutes: Sedgeberrow Parish Council – Serving the people of Sedgeberrow (sedgeberrowpc.org.uk)

Sedgeberrow Arts, Crafts & Games Night: 6th December

Tuesday 21st January 2025 LPA Made Simple - Jackie Lucas

For enquiries on becoming a member please contact the Angela Bravington, Secretary 07967 116833

Sedgeberrow CofE First School

Together We Shine Brighter

We have had a very busy start to the school year. It has been wonderful to welcome the new children and parents to our Sedgeberrow school family, they have all settled in so well and have impressed all the staff.

Our Harvest Festival was a great success. We were so grateful to all our parents who contributed a number of items that Caring Hands were in need of, this was greatly received by the food bank in Evesham. The children were in fine voice and the Year Five class delivered their lines with confidence.

The children took part in European Day of Languages where they were immersed in the culture and languages of other countries. Other exciting days included visits to Cadbury World, The Almonry Museum and a Rainforest workshop, just to name a few.

Our commitment to different charities has continued with MacMillan coffee morning, the Year Five children looked after our visitors with supplying tea and coffee and serving sweet treats. We also took part in Children in Need too and came to school dressed up, all proceeds went to this very worthwhile charity.

There have already been a number of sporting achievements. Year Four and Five took part in the Cross Country event. Our football team won the cluster football competition. We also took part in a netball tournament too, in which our children demonstrated excellent sportsmanship.

Mental Health Day was marked in school, children carried out various activities in their classes and came to school in yellow. We also held Anti Bullying Week and Recycling Week too. All of these take part on top of the curriculum, so as you can see, we have had a jam-packed start to the year.

So far, we have looked at our values of Commitment and Hope. The children have shared what they are committed to, from learning new skills in school to helping around the house. We are hopeful that these are continued to be observed at home. Hope is our value for this half term, in which we find hope at this time of year in the run up to Christmas.

We would like to welcome any prospective parents to our Open Morning on Wednesday 27th November from 9:15 -10:45. We look forward to welcoming new children.

I would like to take this opportunity to thank the children, parents and staff of Sedgeberrow School. It has been a wonderful start to the academic year, and I am looking forward to seeing the children continue to thrive and succeed.

Safety of Pedestrians and Drivers in our Village

There have been several near miss accidents recently caused by vehicles being parked inconsiderately.

These were concentrated around the Queens Head and Village School related to vehicles coming from outside the village.

The Parish Council is working with the relevant authorities to try and address this situation.

However, we as residents are also not parking according to the Highway Code.

Some Highway Code rules (paraphrased) relevant to our village include:

DO NOT stop or park:

- **near a school entrance**
- **anywhere you would prevent access for Emergency Services**
- **opposite or within 10 metres (32 feet) of a junction**
- **near the brow of a hill or hump bridge**
- **where the kerb has been lowered to help wheelchair users and powered mobility vehicles**
- **in front of an entrance to a property**
- **on a bend**
- **partially or wholly on the pavement.**
- **On a single yellow line (7 am to 7pm)**
